Dear Mr. Seldner:

Your letter regarding "Hollywood Dreams" has been forwarded to me by Frontline. Not only was it good of you to take the time to write but, naturally, I very much appreciate your generous comments.

Being an independent producer (after many years at CBS), I never know what projects are on the horizon but I agree that there's certainly more to be done on the subject.

Again, many thanks and warm regards.

Sincerely,

Irv Drasnin
